Your plan agreement

This **agreement**, together with the **application form** you originally submitted to **us**, your **Certificate of Insurance**, and your **employer's master Certificate of Insurance**, make up the contract between **you**, your **employer**, and **us**.

The terms of this **agreement** apply to **you** and to all of your **eligible dependants** as stated in the schedule of **insured persons** on your **Certificate of Insurance**.

Eligibility to join your employer's plan

Eligibility to join your **employer's plan** is as agreed between **us** and your **employer** and is shown on your **employer's master Certificate of Insurance**.

If **you** are eligible to join, **you** must join within 30 days of becoming eligible to do so.

Your **eligible dependants** must also join the **plan** at the same time as **you** join, or, within 30 days of becoming eligible to do so if they only become eligible to join at a later date.

If **you** or your **dependants** do not join within 30 days of becoming eligible to do so **we** may refuse to offer cover, or only offer cover subject to **special terms**.

The purpose of your plan

Your **plan** provides **you** with benefit for the cost of treating eligible medical conditions which arise after your **date of entry**.

We will pay for the **reasonable and customary** costs of **medically necessary treatment** of medical conditions covered by your **plan**. **We** will only pay for such **treatment** if it is received during your **period of cover**, and provided your **premium** payments have been kept up to date.

Any reimbursement **we** make may be subject to an **excess** and/or **co-insurance**, and certain benefits are subject to a benefit limit. Your **excess** amount will be stated on your **Certificate of Insurance**. Any **co-insurance** and benefit limits will be as stated in the **table of benefits** for your **plan**.

Your obligation to provide information relating to you and your dependants' medical history

We rely on the information **you** supply to **us** in your **application form** when **we** decide whether or not to accept your **application**, and whether or not **we** need to apply **special terms**.

If your **application form** omits facts or contains materially incorrect or incomplete facts, **we** have the right to declare your **plan** void. Alternatively **we** may impose **special terms** on your particular **plan** which will apply from your **date of entry**.

If your **state of health**, or the **state of health** of any of your **eligible dependants** changes between the time **you** complete your **application form** and your **date of entry**, **you** must tell **us** in writing about the change, and **we** may only be able to accept your **application** with **special terms**.

Pre-existing medical conditions and related conditions

Provided **you** have given **us** full and complete answers to the health questions in your **application form** in respect of all **insured persons**, and your **employer** has paid any additional **premium** that may have been charged, your **plan** covers **you** for **treatment** of eligible **pre-existing medical conditions** and related conditions.

Commencement of your cover

Your cover will commence from the **date of entry** stated on your **Certificate of Insurance**. **We** will not commence your cover until **we** have accepted your **application** and your **employer** has paid the **premium**.

Eligible medical services providers

The NextCare network of **medical services providers** you are entitled to use is as stated on your **Certificate of Insurance**, your **network card**, or **smartphone application**.

If your cover is restricted to the benefits of the **Primary Benefits plan** you will only be entitled to use a **medical services provider** within **Restricted Network 3**. If **you** use a **medical services provider** that is not in **Restricted Network 3** **we** will not reimburse your **claim**.

Your area of cover

The cover provided by **your plan** is restricted to the **area of cover** stated on **your Certificate of Insurance**. The **areas of cover**, and their corresponding territorial limits, are stated below.

Zone 1

Worldwide, excluding the United States of America.

USA cover options

The following option provides limited cover in the United States of America.

If **you** have the option for limited cover in the United States of America, it will be stated on **your Certificate of Insurance**.

Cover in the USA limited to temporary trips of up to 45 days (USA-45)

We will cover **you** in the United States of America for **temporary trips** of up to 45 days' duration from the date on which **you** enter the country. Any trip of longer than 45 days will not be covered, but there is no limit to the number of **temporary trips** **you** can make to the United States of America during any one **period of cover**.

The overall maximum amount **we** will pay in respect of **treatment** **you** receive in the United States of America is US\$250,000 per **insured person**, per **period of cover**. Within this amount, **we** will pay: -

- up to US\$100,000 for elective **treatment**; and
- up to US\$250,000 for **accident & emergency treatment** of a condition that **you** have not previously suffered from prior to commencing **your temporary trip**.

We do not cover emergency evacuation to, from or within the United States of America, even if **you** have selected the USA-45 option.

Restricted Network 3

Cover is restricted to the **medical services providers** within **Restricted Network 3**, all of which are located within the United Arab Emirates.

What you're covered for

The following **table of benefits** sets out the cover provided by each **plan**. The **plan you** have is as shown on **your Certificate of Insurance**. We will pay only for the **treatment** or services stated in the **table of benefits** relating to **your plan**.

Each benefit limit in the **table of benefits** is expressed in US dollars and United Arab Emirates dirhams. The currency of the benefit limits that **we** will apply to **your plan** is shown on **your Certificate of Insurance**.

The limits shown in the **table of benefits** are the maximum amounts **we** will pay after the application of any **excess** and **co-insurance**, and will be subject to the annual benefit limit and any other specified applicable benefit limits.

Certain benefits in the **table of benefits** specify a **waiting period**. **You** must be covered by the same **plan** for the full duration of the specified **waiting period** before **you** can **claim** for that benefit. No benefit is payable for any **treatment** costs

incurred during the **waiting period**.

Wherever the term *Full cover* appears in the **table of benefits**, this means a full refund of **reasonable and customary** charges, less any **excess** or **co-insurance** applicable to **your plan**, and subject to any limits that are specified anywhere else in the **table of benefits** for the type of **treatment** or care **you** receive.

Where there is a lifetime benefit limit, this is the maximum amount **we** will pay in respect of that particular benefit during **your** lifetime.

Certain benefits in the **table of benefits** are optional. **You** are only eligible for these benefits if **your employer** has selected them and they are stated on **your Certificate of Insurance**.

There are certain benefits in the **table of benefits** for which **you** must obtain pre-authorization. If **you** do not obtain pre-authorization for these benefits, **we** will only pay 80% of the **reasonable and customary** cost of **treatment**.

The **table of benefits** should be read in conjunction with the *What you're not covered for* section of this **agreement**.

If cover in respect of any benefit of the Silver or Gold **plan** is lower than the benefit provided under the **DHA Essential Benefits plan**, the cover provided under the **DHA Essential Benefits plan** shall apply.

If **you** receive **your treatment** at a **medical services provider** which is not within the NextCare network stated on **your Certificate of Insurance, network card** or **smartphone application**, penalties will apply. Please refer to the *If you need to make a claim* section of this **agreement** for further information.

If **your plan** is the **Primary Benefits plan**, which provides cover for **medically necessary treatment** at **medical services providers** within **Restricted Network 3**, please refer to the table of benefits on pages 30-32 of this **agreement**.

If **you** need to claim for a benefit or **treatment** for which **you** must obtain pre-authorization, **you** must contact NextCare or the **Assistance Service** in advance of starting **your treatment** and give them all the information they require to assess if **your proposed treatment** will be eligible for cover under **your plan**. If **your proposed treatment** is eligible for cover, NextCare or the **Assistance Service** will pre-authorise all eligible expenses. **We** will not pay for any **treatment** costs or expenses that have not been pre-authorized by NextCare or the **Assistance Service** in advance.

If **you** need to seek medical advice or **treatment**, please follow these steps: -

1. Contact NextCare

You can only claim for **treatment** that is covered under the terms of **your plan**. Before **you** undergo a course of **treatment** **we** strongly recommend that **you** call NextCare, who can advise **you** whether the proposed **treatment** will be covered by **your plan**. The contact details for NextCare can be found at the beginning of this **agreement**.

2. Check that the medical provider you want to use is part of the network you are entitled to use

The name of the NextCare network **you** are entitled to use is as stated on **your Certificate of Insurance, network card** or **smartphone application**. To check that the **hospital, out-patient clinic** or **pharmacy** that **you** want to use is part of the NextCare network stated on **your card**, please go to nextcarehealth.com.

If the provider **you** intend to use is within the NextCare network stated on **your network card**, please go to **Step 3.1** below

If the provider **you plan** to use is not within the NextCare network stated on **your network card**, please go to **Step 3.2** below.

Please also refer to the *General points relating to making a claim* heading at the end of this section of the **agreement**.

3.1 If the medical provider is within the NextCare network you are entitled to use

When **you** attend **your** appointment, please present **your network card** or Emirates ID card (which also contains **your** NextCare details) to the **medical services provider**. The **medical services provider** will ask **you** to show an official form of photographic ID, which **you** must provide before **treatment** can take place.

Certain procedures and tests require authorisation by NextCare before the clinic or **hospital** can proceed with them. All **medical services providers** within the NextCare network are aware of these requirements and will contact NextCare directly for the necessary pre-authorization.

If your plan has an excess

If **your plan** has an **excess**, **you** must pay the **excess** amount to the **medical services provider** in respect of each **doctor's** consultation, or each visit to a **dentist**.

The **medical services provider** will submit the invoices for **your** consultation and **treatment** (less the **excess** amount **you** have paid, if applicable) to NextCare for settlement.

This gives them sufficient time to contact the **hospital** to obtain the necessary medical information.

When **you** contact NextCare or the **Assistance Service**, they will ask **you** to complete a pre-authorization form and a consent form that permits the **hospital** to release the necessary medical information to them. Once NextCare or the **Assistance Service** has received all the medical information that they require, both from the **hospital** and **yourself** (including any other information **we** might need), they will advise **you** if the proposed **medical treatment** will be covered by **your plan**.

If **you** contact NextCare or the **Assistance Service** less than 48 hours in advance of **your** admission, they may be unable to pre-authorise **your treatment** in time. This means **you** may have to pay for the **treatment yourself** and submit a **claim** for reimbursement to NextCare or the **Assistance Service** later. In some instances, they may decline **your reimbursement claim** or they may subject **your reimbursement claim** to a 20% **co-insurance**.

If **you** are admitted to **hospital** in an emergency and it is not reasonably possible for **you** to contact NextCare or the **Assistance Service** in advance of **your** admission, they will consider **your claim** provided **you** contact them within 24 hours of **your** admission. If **you** do not contact them within 24 hours, they may decline **your claim** or subject it to a 20% **co-insurance**.

If you are making a claim for out-patient treatment

Although most **out-patient treatment** does not need to be pre-authorised in advance by NextCare or the **Assistance Service**, **we** recommend that **you** do contact them before undergoing any **treatment** to ensure that the **treatment** is covered by **your plan**.

How to claim back your eligible treatment costs

The best way to submit **your claim** for eligible **treatment costs** is through the NextCare smartphone application or the [myNextCare portal](#).

Alternatively **you** can download a claim form from NextCare's website.

Please complete Section A of the claim form and sign the Patient's Consent and Declaration sections at the end of the form. Please take the claim form with **you** when **you** visit **your doctor** and ask him or her to complete and sign Section B and C of the claim form.

Scan the completed claim form and the fully itemised invoices for the **treatment you** have received, and send to reimbursement.claims@nextcarehealth.com.

NextCare can only reimburse **your claim** when they have fully itemised invoices which give a breakdown of the **treatment** and medical services **you** have received, and any drugs **you** have been prescribed.

Please retain **your** original invoices for 12 months. **Your** original claim form and invoices may be requested for auditing purposes.

Claim forms are not required however when **you** are claiming for the following benefits: -

- If **you** are claiming for the well-being benefit, please send NextCare the fully itemised invoices for which **you** are claiming reimbursement, together with **your** bank account details.
- If **you** are claiming for the compassionate home visit benefit please send NextCare a copy of the death certificate of **your close family member**, together with a copy of the invoice for **your** round-trip airfare, stating the class of travel, and **your** bank account details.

Claims for which a medical referral letter is required

If **you** are claiming for **out-patient** physiotherapy, any **treatment** by a chiropractor, osteopath, chiropodist or podiatrist, **out-patient** psychiatric or psychotherapy **treatment**, or an MRI or CAT (CT) scan **you** must also send NextCare **your medical**

referral letter. If **you** are claiming for a PET scan, **you** must also send NextCare **your specialist's medical referral letter**.

Supplying the information required to process your claim

NextCare can accept the information required to process **your claim** via the NextCare smartphone application or the [myNextCare portal](#).

Alternatively, scan **your** itemised invoices, receipts, **medical referral letter** (when required), and **your** fully completed claim form and email them all to reimbursement.claims@nextcarehealth.com. Please always retain the original copies of everything for a period of 12 months as NextCare reserve the right to receive these documents before they assess **your claim**. NextCare may also require them at any time for auditing purposes. Or, **you** can send the information required to process **your claim** by post.

You must submit **your claim** within 6 months of **your treatment** date, unless it was not reasonably possible for **you** to submit the **claim** within this time. NextCare will not pay any invoices they receive more than 12 months after **your treatment** date.

NextCare will not pay fees charged by a **medical practitioner**, or anyone else, for completing a claim form.

If you have optional USA cover and you seek treatment in the USA

All **treatment you** receive in the United States of America must be pre-authorised in advance by **us** or by the **Assistance Service**. **We** will not pay for any **treatment** in the United States of America that has not been pre-authorised.

If **we** instruct a local agent to arrange the billing or cost adjustment of **your** medical **treatment** expenses in the United States of America, any fees charged by the local agent will be deducted from the USA benefit limit available under **your plan**, as stated in the *Your area of cover* section of this **agreement**.

Paying your claims

NextCare will deduct any **excess** and/or **co-insurance** amount, as well as any other ineligible items, and then settle the balance to **you** by cheque (available in United Arab Emirates dirham only) or bank transfer. If **you** provide incorrect payment details and **we** cannot recover the payment, **we** will not make the payment again to **you**.

NextCare will only make payment to **you**.

Exchange rates

NextCare will settle **your claim** in the currency in which **you** pay **your premium** unless **you** instruct otherwise. If they have to make a currency conversion, they will use the historic exchange rate (provided by [xe.com](#)) applicable on the date of each separate invoice **you** submit. However, if they have placed a Guarantee of Payment they will use the exchange rate applicable on the date they placed the guarantee.

Excesses, co-insurance, and benefit limits

The **excess** shown on **your Certificate of Insurance, network card** or smartphone application is the amount each **insured person** will have to pay towards the cost of their **treatment**. The **excess** is taken per medical condition, per **period of cover**.

If **your plan** has an **excess** and/or **co-insurance**, **you** must pay this before leaving the **medical services provider**.

The total **excess** and **co-insurance** for **out-patient treatment** received in the UAE is subject to a maximum of 20% of the total

treatment cost. Details of this are given on **your Certificate of Insurance, network card** or smartphone application.

If **your plan** has an **excess** and the benefit **you** are claiming for has **co-insurance** and/or limits, NextCare will apply the **co-insurance** first, then the **excess**, then the limit.

If **you** have a **plan** which has an **excess** per **claim**, this is the amount **you** will have to pay each time **you** make a new **claim** for **treatment** of a condition that is covered by **your plan**. If **you** subsequently suffer a new occurrence of that condition, this will be treated as a new **claim**, and **we** will apply the **excess** again to that new **claim**. If your course of **treatment** spans two **periods of cover**, **we** will apply the **excess** again when **your plan** renews.

If **your claim** is in respect of the well-being benefits, **your excess** will be applied once per **period of cover**.

The **excess** will also be applied to **your claim** in respect of each visit **you** make to a **dentist**.

General points relating to making a claim

NextCare may need to ask for additional information to enable them to assess **your claim**, such as further medical reports or tests, or an independent medical examination. If **you** do not agree to supply them with any reasonable additional medical information they ask for, NextCare will not be able to assess **your claim**.

NextCare will not pay for **treatment** which in their opinion is inappropriate based on established medical and clinical practice and they are entitled to conduct a review of **your treatment** when it is reasonable for them to do so.

If **you** require ongoing **treatment** NextCare may ask for further medical information and if they do, the cost of providing this information must be borne by **you**. NextCare is unable to return original documents such as invoices or medical letters, but they will send **you** copies upon request.

If NextCare or the **Assistance Service** pre-authorise costs which subsequently turn out to have been related to a condition which is not covered by **your plan**, **you** will be responsible for all the costs incurred, and if NextCare has made any settlement on **your** behalf, **you** will be responsible for repaying NextCare the amount they have paid.

Illness or injury caused by a third party

If **you** are claiming for an illness or injury that was caused by some other person or organisation (a third party) **you** must let **us** know in writing straight away, or tell **us** on **your** claim form. **We** will then pay benefit in accordance with the terms of this **agreement** provided that **you** take all necessary steps **we** ask **you** to take to assist **us** in recovering **our** costs from the person or organisation at fault (such as through their insurance company) the cost of the **treatment** paid for by **us**, plus interest, at **your** own expense.

If **you** pursue a personal **claim** for damages against the third party, **you** must provide **us** with the full name and address of the solicitor handling the action. **We** will then contact the solicitor to register **our** interest and seek to recover **our** own costs, plus interest, in addition to any damages that **you** may recover or be awarded. **We** reserve the right to appoint **our** own solicitor to act on **your** behalf in this matter and to take over the conduct of the action.

If **you**, or any **insured person**, are able to recover from the third party (whether or not through legal action) compensation that

includes any **treatment** costs **we** have paid, **you** must repay that amount to **us**. Any interest that **you** or any **insured person** may also have been awarded that relates to the recovered **treatment** costs **we** have paid for must also be repaid to **us**. If **you** only receive a proportion of **your claim** for damages then **you** must repay to **us** the same proportion of **our** costs.

If you are covered by another insurance plan

If **you** have any other insurance that covers the same costs as **we** do, **we** will only pay **our** proportionate share of the **claim**. In this event, **you** must provide **us** with full details of the other insurance, including the name and address of the other insurer, their policy and **claim** number and any other relevant information, when **you** first submit **your claim**. **We** will then contact the other insurance company to ensure that **we** only pay **our** proportion of the **claim**. This may involve **us** sending **your** personal information regarding **your claim** to the other insurer.

Other information about your plan

Plan premiums

Your employer is responsible for paying the premium. We must be in receipt of the premium before we will commence your cover.

Your plan will only remain in force while you are employed by your employer. We will not pay for any treatment expenses incurred after your cover has ended, even if it was previously authorised.

Unpaid or late premiums

We will automatically cancel your cover if your employer fails to pay your premium on or before the premium due date.

We may allow your cover to continue without you having to complete a new application form and health declaration if your employer pays the outstanding premium within 30 days of the premium due date. During this 30-day period we will not accept any claims for treatment incurred on or after the premium due date until your employer has paid the premium due. This also applies to treatment that we have already pre-authorised.

If your employer does not pay the premium within 30 days of the premium due date, we will cancel your plan from midnight on the day before your premium due date. Once we have cancelled your plan, your employer will have to reapply for cover and you will have to complete a new application form, which will be subject to medical underwriting.

Changing your cover

Any changes to your cover must be requested by your employer, and may be subject to further requirements such as requiring you to complete a new application form which will be subject to medical underwriting. We cannot accept requests from you to change cover for you or your dependants.

Adding dependants to your plan

If the plan includes cover for employees' dependants you must apply for cover on behalf of your spouse.

You must also apply for cover for your eligible dependent children if they are under 18 years old, or under 25 years old if they are in continuous full-time education. We reserve the right to request proof of a child being in full-time education.

We will not commence cover for a new eligible dependant until we have accepted their application and we have received payment of their premium from your employer.

Adding newborn babies to your plan

If the plan includes cover for employees' dependants you may add your newborn child to your plan, without any medical underwriting, provided you notify us of their full name and date of birth, and your employer pays the additional premium required, within 30 days of their date of birth. If you have been insured with us for a continuous period of twelve months or more at the date of birth, the date of entry can be backdated to their date of birth. The child's cover will be restricted to the cover provided by your employer's plan.

If you do not inform us about the birth of your child within 30 days of their birth, and/or your employer does not pay the additional premium within 30 days of their date of birth, you will have to make a new application for your child to be added to your plan, and this application will be subject to medical underwriting.

Newborn children who have been born as a result of assisted reproduction treatment and born within 36 weeks of conception are always subject to medical underwriting.

In the event of the death of an insured person

If you (the employee) die and have eligible dependants insured under your plan, they will no longer be entitled to be insured on the plan and will be removed from the date of your death. However, they may apply to be insured on their own individual plan, provided they are over the age of 18 years.

To enable us to do this we will require a new application form which must be completed and returned to us within 30 days of your date of death. Provided we receive the new application form, and the required premium, we will continue their cover as before but subject to our Individual premium rates.

If your eligible dependants want to continue with cover that is enhanced in anyway in comparison to their previous cover, they will have to complete a new application form and this new application will be subject to medical underwriting.

If your eligible dependants are under the age of 18, their legal guardian will have to sign the application form on their behalf.

If an insured eligible dependant dies, please inform us as soon as possible.

Divorce and separation

If you have your spouse included under your plan and you become separated or divorced, we will have to transfer your insured spouse on to their own plan as they will no longer be entitled to be covered on your employer's plan. To enable us to do this we will require your spouse to complete a new application form which must be completed and returned to us within 30 days of your date of divorce or separation.

Provided we receive the new application form, and provided premiums are paid by the new plan holder, we will continue to cover your insured ex-spouse as before, but subject to our individual premium rates. If your ex-spouse wants to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new application form and this new application will be subject to medical underwriting.

When a child dependant is no longer eligible to be covered under the plan

If one of **your** children has married, or has reached the age of 18 (or the age of 25 if they are in full time education) they will no longer be able to be included on the **plan** from the **renewal date** following their marriage/birthday. However, they may apply to be insured on their own individual **plan**.

To enable **us** to continue their cover as before **we** will require a new **application form** which must be completed and returned to **us** within 30 days of **your renewal date** along with the appropriate **premium** due, which will be subject to **our** individual **premium** rates.

If **your** child wants to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

If **we** do not receive **your** child's **application form** and **premium** within 30 days of **your renewal date**, their cover will automatically cease from midnight on the day before **your renewal date**. If they subsequently wish to apply for cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

Changing your address, country of residence or country of nationality

You must inform **us** if **you** change **your** address and provide **us** with the new details.

If **you** change **your** country of residence or **you** change **your** country of nationality, **you** must tell **us** straight away.

If **your** new **country of residence** is one where it is not suitable to continue **your** cover under **your** plan type, one of **our** insurance partners may be able to offer **you** similar cover under an alternative plan.

If you become a resident in Abu Dhabi

Under the terms of this **agreement** cover is not available to **you** if **you** become resident in Abu Dhabi, irrespective of **your** nationality. If **you** become resident in Abu Dhabi during **your** annual period of cover **you** must tell **us**. **Your** cover will automatically terminate from the date on which **you** take up residence in Abu Dhabi.

If Switzerland is or becomes your country of residence

Under the terms of this **agreement** cover is not available to **you** if Switzerland is or becomes **your** country of residence, irrespective of **your** nationality. If Switzerland becomes **your** country of residence **you** must tell **us**. **Your** cover will automatically terminate from the renewal date after **you** take up residence in Switzerland.

If the USA is or becomes your country of residence

Under the terms of this **agreement** cover is not available to **you** if the United States of America is or becomes **your** country of residence, irrespective of **your** nationality. If the United States of America becomes **your** country of residence **you** must tell **us**. **Your** cover will automatically terminate from the date on which **you** take up residence in the United States of America.

If you leave your employment

If **you** leave **your** employment **you** are no longer eligible to be included on **your** employer's plan and **you** will be removed on the date **your** employment ceases. In some circumstances **you** may be allowed to continue cover with **us** on a personal health plan with no additional **medical underwriting**, but subject to **our** premium rates for personal health plans. If **you** would like more information about this then please contact **us**.

Cancelling your plan

If **you** wish to cancel **your** plan, or if **you** want to cancel cover for one of **your** dependants, **you** must instruct **us** in writing by letter, email or fax. **We** will cancel cover from the date we receive **your** written instructions, or from a date in the future that **you** have specified. **We** will not cancel cover from a date prior to **us** receiving **your** written instruction to cancel.

When we can cancel your plan

We have the right to cancel **your** plan immediately if: -

- **your** employer does not pay **your** premium and other charges such as insurance premium tax or VAT within 30 days of any premium due date
- **your** employment with the employer ceases (and **you** have not submitted an **application form** and paid the required **premium** within 30 days of the date on which it ceased)
- **you** have not provided **us** with medical information **we** have requested to enable **us** to assess a **claim** or any potential **claim** that may arise in the future
- **you** have not repaid to **us** fully any ineligible **claim** payments **we** have invoiced **you** with
- **you**, any **insured person** or any person acting on **your** behalf has made any threatening or abusive comment, or used any unacceptable language towards **us** or any member of **our** staff, or any service provider acting on **our** behalf, whether verbally (including any telephone conversation) or in writing (including any electronic communication)
- **we** reasonably suspect that any **insured person** has misled **us** or attempted to mislead **us**, whether intentionally or carelessly, either at the time of joining or when making a **claim**, by: -
- making a **claim** under this policy knowing it to be dishonest, intentionally exaggerated or fraudulent in any way
- providing **us** with incomplete or false information
- working with another party to provide false information to **us**
- changing original documents

If **we** cancel **your** plan for any of the above reasons **we** may also report the matter to the relevant authorities, if appropriate.

We have the right to cancel **your** plan from **your** renewal date if **you** move to a country where **we** are unable to offer continued cover due to compliance and/or legal reasons.

When we may apply special terms to your plan

We have the right to apply **special terms** to **your** plan if **you** give **us** inaccurate or incomplete information. Such **special terms** will be applied from **your** date of entry.

Our liability under this plan

Our liability under this **plan** is limited to paying for **treatment** or services in respect of eligible **claims** under this **plan**. The choice of provider of the **treatment** or services for which **you** are claiming under this **plan** is **your** responsibility. **We** make no representations or recommendations regarding the availability and standard of any **treatment** or services offered or provided by any **hospital** or **medical services provider**. **We** will not be held liable to **you** or any **insured person** for any loss, harm or damage of any description resulting from lack of availability or from a defect in the quality of any **treatment** or service offered or provided by any **hospital** or **medical services provider**. The Primary Benefits plan

The following **table of benefits** sets out the cover provided by the **Primary Benefits plan**. The **plan you** have is as shown on your **Certificate of Insurance**. We will pay only for the **treatment** or services stated in the **table of benefits** relating to **your plan**.

You may claim under either **your plan** or the **Primary Benefits plan**, but **you** cannot claim under both **plans** for the same **treatment** or medical services.

Wherever the term *Full cover* appears in the **table of benefits**, this means a full refund of **reasonable and customary** charges, less any **excess** or **co-insurance** applicable to **your plan**, and subject to any limits that are specified anywhere else in the **table of benefits** for the type of **treatment** or care **you** receive.

The **table of benefits** should be read in conjunction with the *What you're not covered for* section of this **agreement**.

Accident

A sudden, unexpected, unusual, specific, violent, external event which occurs at a single identifiable time and place independently of all other causes, which results directly, immediately and solely in physical bodily injury which results in a loss. In no event shall the contracting of any disease and/or illness (including, but not limited to, heart attack, stroke or cancer), nor the injection or ingestion of any substance, be considered an **accident**. An event which directly or indirectly exacerbates a previously existing physical bodily injury shall not be considered an **accident**.

The contents of this document, read in conjunction with **your** completed and signed **application form**, **your Certificate of Insurance**, and **your employer's master Certificate of Insurance**.

Application or application form

The **application form** **you** have completed and signed on behalf of **yourself** and on behalf of any **eligible dependants** for whom cover is requested. Please note that on some occasions an alternative form such as a health declaration or an upgrade form may be required to be completed instead of a full **application form**. **We** will advise **you** when this is the case. The alternative form will then be classed as the **application** or **application form** for the purpose of this **agreement**. Information on previously completed **application forms**, if applicable, may also be used by **us** for underwriting and **claims** assessment reasons.
